Havoc at the Hillside Market **Book Activity**

Best Fruits and Veggies in the Land

The farmers at Hillside Market have asked the Super Crew to make a list of all the foods being sold. The Super Crew decides to split up so that everyone can look for their favorite color foods that they love best, but they need your help. Look through Havoc at the Hillside Market to find the foods, and then write them in the column for the right Super Crew Kid.
